PRESIDENT'S MESSAGE

It is with mixed emotion that I inform you of my resignation from the presidency and board of directors effective July 31, 2010. At this time, other commitments require my focus and time. My three year tenure with the board has been a rewarding experience. I would like to thank and commend the other board members for their commitment and dedication to the mission of the ODPa and the wonderful work they have and will continue to accomplish for the dog park. Enjoy your time at the park! Best Regards, Margaret Prima-Verbeck

ANNIVERSARY UPDATE

The 5-Year anniversary was a huge success! Not only were we celebrating the park being open for five years, but also we were celebrating the approval of an additional five years at the site. Mayor Carolyn Cavecche, Councilmember Mark Murphy, and Community Services Director, Marie Knight started off the fun by drawing the first raffle tickets. Many patrons, two and 4-legged, attended the event and all seemed to have a great time. For those lucky raffle winners; we hope you enjoyed or will enjoy your prize. The funds raised at the event will go towards park improvements and ongoing maintenance needs. Additional pictures of the festivities may be found on our website www.orangedogpark.com.

Great News! Great News! Great News! Great News!

We are pleased to announce two new board members: **Sharon Frank and Doreen Dubocq**

Thank you, Sharon and Doreen, for “stepping up to the plate.” We look forward to your fresh ideas, skills, talents, and additional “hands” to support the ODPa and dog park.

Would you like to join the ODPa team? Want to “give-back” to the community?

ODPA Gets Recognized

On April 21, 2010, the City of Orange Community Services Department recognized the ODPa for its contribution to the community through volunteerism at the annual California Park and Recreation Society (District 10) awards and installation banquet. Here is the text read at the banquet:

Since the Dog Park opened in June of 2005, the City and ODPa have enjoyed a cooperative partnership in the operation of this highly used and very popular park. ODPa has been actively involved in the daily oversight of the park and has created a website and newsletter in order to keep members and park users informed of the activities at the park as well as the rules and regulations. They staff an information table on weekends, and have held several special events at the park throughout the year. They are the frontline responders to patrons who have questions or concerns related to the park and work closely with staff on issues that require further follow-up or resolution. ODPa has funded several improvements to the park and the volunteers continue to work closely with the City staff to ensure the park provides a positive experience for the two and four legged patrons who enjoy it daily.

The ODPa board would like to thank the City for this recognition and for the continued support of the dog park.

(Lt-Rt) Rosie Cash, ODPa Treasurer, Margaret Prima-Verbeck, ODPa President, Nancee Randall, ODPa Vice-President Marie Knight, Director of Community Services
